

International Conference on Recent Advancement in Sustainable Healthcare (ICRASH 2023)

Venue: Summit Hotel Subang USJ, Malaysia

Date : 23rd & 24th May 2023

Organized by:

Lincoln University College, Malaysia

Lincoln University College, Malaysia is organizing the International Conference on Recent Advancement in Sustainable Healthcare. The basic idea behind the conference is to make a platform for the distinguished dignitaries to exchange new ideas and apply hands on experiences to build up new relationships in research. There is also a scope for future collaborations along with global partners. Building up a strong relationship between industry and academia is also among one of the key factors. At the same time, the conference will help to bridge the gap between Biologists, Health officials, Nurses, Medical professionals, Microbiologists, Pharmaceutical Scientists, Physicians and other delegates.

The main focus of the conference is on the latest and most exciting findings in the following areas:
